In Memoriam

Remember

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.
Remember me when no more, day by day,
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

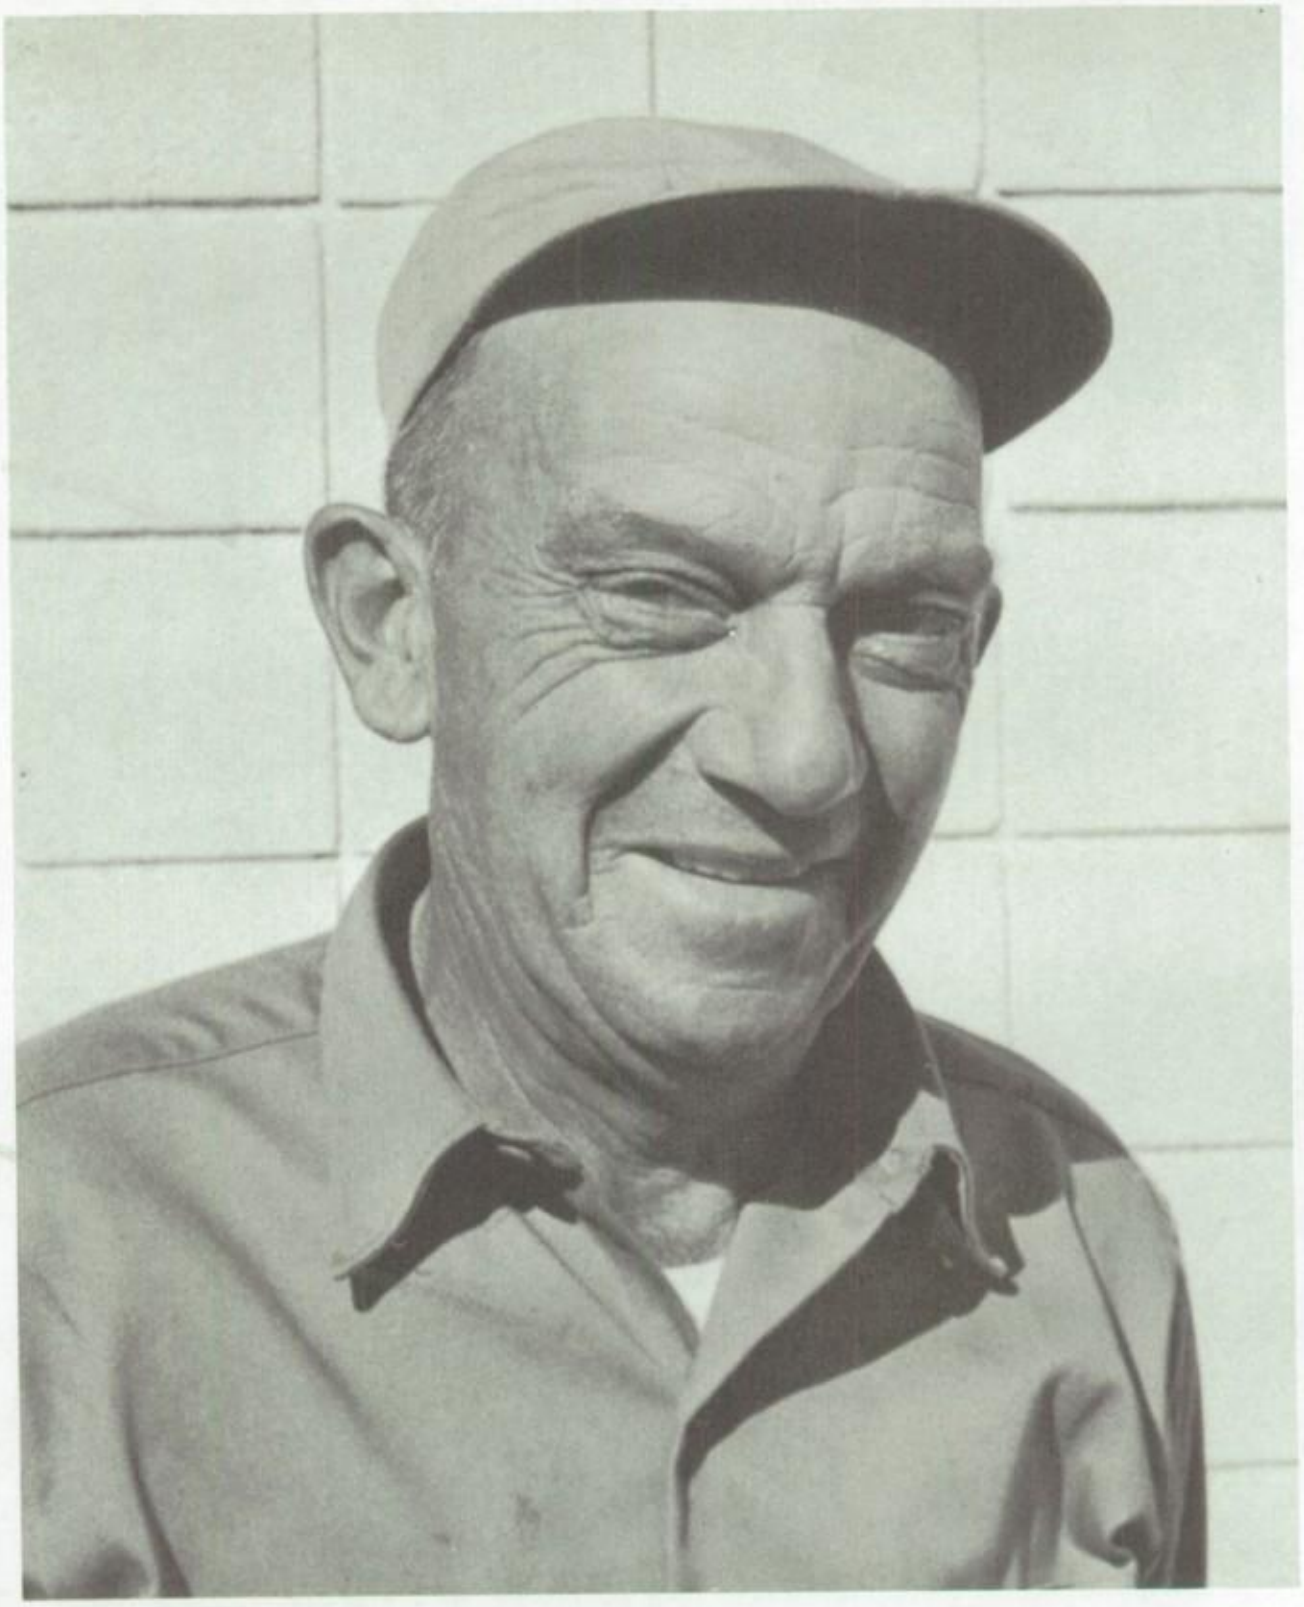
Dedicated To The Memory of . . .



W. Leonard Sorrick

W. Leonard Sorrick was born December 13, 1906. His father, N. W. Sorrick, was a former trustee at LHS and a justice of the peace from 1929 to 1949. Grace Sorrick, his mother, was reporter for the *Lemoore Advance* for twenty years. With this type of background Leonard Sorrick could not help but contribute to the success of LHS.

He graduated from Lemoore High in 1925, and later married Mildred Mustain from Lemoore. On January 1, 1939, he began working at LHS. He accepted the job of bus driver, and drove a bus for many years until he changed to the job of a gardener. As a gardener, Sorrick took great pride in the appearance of the campus. He was probably best known as the man who walked around campus picking up papers with his long wooden stick.

As a grounds keeper, his services were well appreciated by every student, teacher, and administrator at LHS. It was not until September 20, 1967, that his services and contributions were missed. On this day Leonard Sorrick died, but his memory still lives within those who knew him.

The students at LHS deeply appreciate the things which Leonard Sorrick did for them. To show this appreciation, the 1968 NUNTIUS is dedicated to the memory of W. Leonard Sorrick.

In Appreciation Of Those Who Helped Make Past Yearbooks A Success

What makes a successful yearbook? It takes the combination of the cooperation of the students, faculty, and administration; reliable staffs; concerned advisers; excellent photographers; and a cooperating publishing company.

The NUNTIUS staff desires to dedicate the 1968 yearbook to two people who have helped to make past yearbooks a success.

Mrs. Mary Jo Nisbet

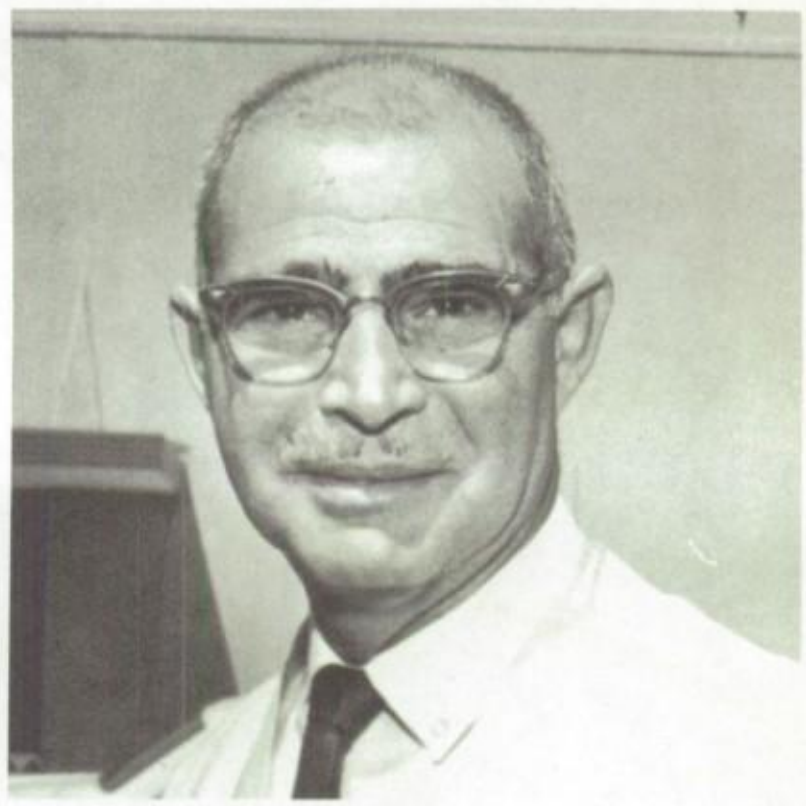
Mrs. Mary Jo Nisbet graduated from Brenau College, in Georgia, with a B.A., and received her MBA degree at the University of Denver. She first came to LHS in September of 1956, and began teaching business courses.

In her seventh year of teaching here, she undertook the job of *Nuntius* editorial staff adviser. She contributed to the success of four yearbooks, some of them being Valley winners.

Mrs. Nisbet worried much, hoping her staff would meet each deadline, but after it was over she admitted it was worth all the worry, suffering, and rushing. The last staff she advised was the staff of 1966. She gave up her yearbook job to Mrs. Opal Herrin, and is currently the adviser for the California Scholarship Federation.

Students at LHS owe much to Mrs. Nisbet for helping uphold the outstanding reputation the *Nuntius* has achieved over the years. The *Nuntius* staff and all others connected with Lemoore High School thank Mrs. Nisbet for her highly esteemed work.

Mr. John Frigulti



Photography is an essential and important portion of a yearbook, and Mr. John Frigulti has contributed his and his studio's talents for the past fifteen years, in making the *Nuntius'* photography the very best.

During this time, several photographers in Mr. Frigulti's employ, have had the assignment of taking yearbook pictures for the *Nuntius.* Mr. Ralph Throneberry, now with the *Fresno Bee,* is the best remembered in recent years. The staff wishes to commemorate him, too, and to especially thank him for the service he has done for the school.

Mr. Frigulti is presently semi-retired and resides in Visalia. The Frigulti firm became a partnership this last year and is now called Frigulti, Ficarra, and Foss Studio, with Mr. John Ficarra and Mr. Fred Foss now doing the senior portraits and *Nuntius* pictures. The staff has enjoyed working with them this year, and is looking forward to many more years of the same outstanding photography.

Everyone at LHS joins the *Nuntius* staff in thanking Mr. John Frigulti for his hard work and good photography, and even though he personally will not be seen with his camera at Lemoore anymore, his work lives on.

Preserve

As "That Wonderful Year 1968" rolled by, the NUNTIUS became the product of planning, hard work, and deadlines. The three divisions of the staff, editorial, business, and art, have concentrated on the theme, picture layouts, and ways of earning money to make this yearbook one of Lemoore High School's finest.

Editorial responsibility for yearbook planning and constructing was led by Patsy Evangelo, editor, who was greatly assisted by Kellee Becker, the production manager, a new position which regulates scheduling and make-up of the pages.

Under the guidance of Business Manager Sam Hood, the business staff made possible a low price by selling advertisements to defray a large part of the publication cost.

The art staff, Pat Bower and Jess Moroles, is responsible for the art work portraying the theme pictorially throughout the NUNTIUS. Jess designed this year's unusual cover.

A special word of appreciation is extended to third year journalism students for writing copy for the NUNTIUS. Their help made it possible for staff members to concentrate on layouts and other areas of production.

Student Council Has Most Active Year

Members of this year's Student Council, by far one of the most active in years, have undeniably earned for themselves the title of "Student Leaders" for their constant work and alertness in the improvement of LHS.

Continuing with last year's policy of getting the student body involved in Council activities, the Council continued with the successful classroom visitations.

Besides sponsoring Homecoming activities, the "Mexicana Navidad" Winter Formal, the Christmas Food Drive, and the Interclass Games, the Council chose a new motto, set up a suggestion box for a closer relationship with the student body, purchased a batting cage for use in athleics, and dedicated two plaques—one to the alumni killed in Viet Nam, and the other to the winner of the spirit contest for each Homecoming. These few are representative of the myriads of projects they took on for a better campus.

In an all-out effort to get the utmost effeciency from the Council, special meetings were held and reports given to assure contributions and activity from every organization holding a seat on the Council.

Enthusiasm Is Guideword For

Three levels of journalism taught in one room during one class period produced two special on-campus editions of the *Tiger's Voice*, led by Carol Hightower, editor and commissioner of publicity. The editions were dedicated to Homecoming '67 and to the graduating class of '68 during *That Wonderful Year*.

"Around the Campus," a column devoted to area high schools and printed in the *Hanford Sentinel*, completed its third successful year of publicity. Bobbie Garthwaite, Dari McKinney, Sunny Frazier, and Ginny Potter, second and third year journalism students, provided the copy.

Third-year students, with Bill Follett as co-ordinator, also served as copywriters for the NUNTIUS.

Six second-year students with their main purpose being the writing of the weekly *Tiger's Voice*, appearing in the *Lemoore Advance*, successfully met 36 deadlines.

First-year students, numbering ten, concentrated on newspaper writing techniques under class adviser Mrs. Maxine Rachford, and added copy for the *Tiger's Voice* after the first quarter.

Throughout the years, organization and promotion have been the watchwords of Rally Club in boosting school spirit. Hard work and great effort have gone into numerous duties such as decorating goalposts and making posters during the exciting season of sports and activities. In the past years Rally Club has sold spirit hats and buttons for a profit. This year has proved successful in the selling of pennants, shakers, pins, and booster ribbons. Another factor not to be overlooked was the time put into decorating for the various sports events during the year.

President Kathy Stanley, Adviser Mrs. Janet Taubman, and the 65 members proved that a project will soon fade away unless there is someone there to keep it alive by constant promotion.

Those Who Brought Spirit

Contributing greatly to the success of the undefeated Tigers this year were Lemoore's enthusiastic cheerleaders, pepgirls, majorettes, Tiger mascot, and feature majorette.

Most of the girls attended professional summer camps to become more proficient in their activities. Head Cheereader Janice Amaro attended a camp at Redlands University in Los Angeles, along with the other two cheerleaders. The girls obviously benefited tremendously from their summer experiences, as they have brought the spirit of the Student Body to a peak never before reached.

Undoubtedly contributing to this rise in spirit was the new and refreshing look that the pepgirls took on under Sylvia Badasci, head pepgirl. Their original and always appropriate skits and routines kept both students and community looking forward anxiously to the next rally or game.

Lemoore's majorettes also gained a great deal of experience when they attended the Big Trees Twirling Camp at Santa Cruz. Under Head Majorette Donna Johns, they have added an irreplaceable spark to all half-time shows and rallies. Karen Reasoner, feature twirler, also added spice to the many rallies and shows.

All of these girls, together with Marsha Rollins, Tiger mascot, deserve the thanks of every student at LHS for giving so unselfishly of their time and effort to make this a Wonderful Year for all.

Tigers Champs For Fifth Year

For the fifth consecutive year the Lemoore High School Varsity football team captured the league championship. Head Coach Jim Hammond and his assistants, Jack Palermo and Charles Dudley, can be proud of their mighty Tigers who finished their regular season with nine wins, one tie, and not a single loss.

The 14- 14 tie between the Tigers and the Selma Bears was probably the most thrilling game of the year. Neither team was beaten during East Sequoia League play and they became co-champs for the second time in three years. Throughout the season no other team was able to come any closer than 18 points of winning over the traditionally strong Lemoore team. A toss of a coin to determine which team would represent the ESL in the Sequoia Divisional Play Offs was won by Lemoore. The Tigers were defeated by Arvin in the playoff game. But even this loss couldn't take any glory from the ESL champs.

At the annual Kiwanis Club Banquet, results of the secret balloting of the Tigers were revealed. Dave Billingsley was elected captain, Steve Schlosser was chosen best defensive lineman, Ken Nunes, best offensive lineman, and Clussie Smith, most valuable back.

Frosh-Soph Finish First

Coaches J. T. Reasoner and Scott O'Leary guided the Frosh-Soph Kittens to their finest season in recent years and to the East Sequoia League Championship. With a record of eight wins and two losses they were undefeated in ESL competition, losing only two non-league encounters to Coalinga and Washington.

The Kittens fought hard throughout the year to win the championship over a strong field of competitors including previously undefeated Sanger. The Frosh-Soph team displayed high spirits during the entire season and made themselves fine prospects for Varsity Tigers next year.

In post season balloting the Kittens elected Chris Cooper team captain and named Gilbert Rico most valuable player.

Freshmen Have Victorious Season

Coach Riley Jones, assisted by Wilbur Booth, trained his all-freshmen team in the basic fundamentals of football this season and helped develop future members for Lemoore's varsity and frosh-soph squads for the coming years.

While the freshmen won only two of their practice games this season, they gained experience which they will put to good use in the future. Several members of the team displayed fine potential on the gridiron and show great expectations.

Cross-Country Has Best Season Ever

Coach Robert Fraley remarked at the close of the season this year that he was well-pleased with his team's performance this year and commended the squad saying that they were the best team LHS has had in its three-year cross country history. The Tiger varsity harriers finished ninth in the Valley this year, marking the first time the team has ever placed in the elite "Top Ten."

Senior Phil Ennis led the varsity throughout the year, and in post-season balloting was elected team captain. Dan Gravance, Bob Wilson, Ted Schlosser, Mike Ray, Lloyd Hatfield, John Vieira, and Bill Follett competed in the Valley Championships for Lemoore and earned varsity letters.

Gary Borba made the best showing in the frosh-soph division for Lemoore and was the only member of his squad to qualify for the Valley Finals. Chip Welch, H.D. Costa, Robert Lewis, Dave Gervasi, and Ron Shearer helped the squad throughout the season. Costa and Welch were elected co-captains.

For the second year in a row the strong junior varsity team finished second at the Sequoia Divisional Meet. Mike Garrett, Manuel Joaquin, Tony Leal, Steve Bethune, Bruce Urban, Dave Bowen, Tom Wilson, and Mark Van Ness all earned JV letters. Bill Follett, who ran JV most of the season, was elected captain.

Lloyd Hatfield, who later was promoted to the varsity squad, led the all-freshmen team this year while setting new records in both the frosh-soph and freshmen divisions. Rick Hobbs, Mike Lowas, Joey Cotta, Clark Hansen, Steve Wheat, and Mike Thrapp all contributed to the freshmen's cause. Hobbs was elected captain.

In post-season balloting Phil Ennis was selected to receive the J.P. Young Award which is presented to the most outstanding Lemoore runner.

Library Club Has Largest Membership In Its History

Mrs. Ruby Rhodes
Adviser

Candi Jones served this year as president of Library Club during its third year on the LHS campus. Lupe Hernandez served as vice-president; Susan Knox, secretary; and Beth Ennis, treasurer.

Open to any students interested in library work or in different types of books, Library Club attracted about 35 members this year, the largest membership in its history. A major project was to help promote the reading of the Great Books series as well as the many other types of literature available in Lemoore's modern library. Members contributed to the morale of all students who use the library by helping to make it the efficient and well-run library that it is.

One of the highlights of the year's activities was a field trip to the library on a nearby college campus. There they witnessed how a large campus library operated and compared it to the operation of the LHS library.

Five men, bent on helping this community and striving for excellence in every phase of education, compose the LHS Board of Trustees.

In "that wonderful year" the Board was alert and active to pass their judgement on school activities, always with the students' well-being in mind.

If called the "Magnificent Five" this would not be underestimating their achievements and generosity in giving of their time in building a successful future for LHS.

The theme "That Wonderful Year" which is carried through succeeding pages of the 1968 *Nuntius* depicts school life as it was during the 1967-68 school year.

As you review the *Nuntius* you will undoubtedly recount the many opportunities that were provided for you at the Lemoore High School. Not only were you given an opportunity to complete a broad and comprehensive educational program, but you also had the opportunity to develop creative abilities and leadership qualities. A large part of the school curriculum was devised to prepare you for worthy citizenship and for your rightful place in our society.

How you perform and how you meet your responsibilities after "That Wonderful Year" will determine, in a large measure, the effectiveness of the school program that has been provided for you. If you experience success, those who have made your education possible will then be rewarded with the satisfaction that it was worthwhile to provide a good education for you.

May each graduate experience success and be able to look back with happy memories on the privileges and opportunities that were provided at Lemoore High School.

W. H. Reilly, District Superintendent

Ralph H. Peterson, Principal

If you are to find true happiness and bountiful success, "that wonderful year" will have to be this year. Last year is too far back to enjoy, and next year may never live up to your expectations. I hope you are able to appreciate the current era and recognize that as education represents opportunity, so friends unfold happiness, and interest in work develops ambitious habits.

I hope you will look on your senior year as having been your best. If you can honestly say this, no doubt you will have an interesting life ahead.

It has been a pleasure for those of us working in Lemoore High School to try to provide you with meaningful social and academic experiences. Yes, it has been a wonderful year for us and also, I hope, for you.

Ralph H. Peterson

Allen Gilkey, Vice Principal

The social changes in that wonderful year of 1967-68 have proven to be some of the greatest and most dramatic experiences in our lives.

Once again we must have great faith and fully understand our fellow man. This understanding can only be a reality when we are willing to take full advantage of our educational opportunities to conquer the existing challenges.

Individual success will be achieved when we are able to reach the ultimate goal of all mankind to live peacefully together with equality for all.

Allen Gilkey

n these times of protests and demands for rights, how re decisions being made? Are they well-thought out nd based on facts or are they impulsive actions as a esult of pressure?

he high school student is confronted with many noices, in school and out, that will determine his future. Vise decisions are based on information, anticipation or rediction of results, without bias, and without losing ght of moral issues that may be involved.

he future of our democratic way of life will be dependent on decisions made by the emerging leaders who re not only concerned with how it will benefit them but ho are also willing to accept the responsibility of the sults.

Lemoore High Faculty Teaches 550 Years

Faculty Club Officers. Jim Inglis, treasurer; Jack Holman, president; Gary Sedgwick, vice-president; Janet Taubman, secretary

Five hundred and fifty total years of teaching experience—368 of these accumulated in this system—is what enables the LHS faculty to give of themselves the greatest response to teaching seen in the school's history.

With their hearts and their marking sticks their main purpose will always be to help students to learn.

The faculty is indivisible. It can only be analyzed as a whole, working and striving toward the production of better future leaders.

Among the faculty, 20 hold bachelor degrees, 14 have masters equivalents, and 16 have earned masters degrees. Not being satisfied with their own accomplishments, they are constantly advancing professionally to better themselves, hoping this will enable them to meet the goal they have set as their chief desire.

The student body sincerely extends its appreciation for the opportunities given it by this faculty.

Sue-poo!

(Got it right this time) Don't have too many classes with you this year, and the one we do have together we countries apart. (That's a joke) 'Member ol' Mr. Edman's room? You & Betty & I in the back there - the 3 Messketeers. Betty's brownies for refreshments. We had a great old time till Mr. took a liking to Betty & I to move to the front - you sure lucked out - you must have talked more than uses. Oh!!! And Sophomore P.E. - Puuuuuhh. 😵 Spas. Falling all over with our tongues hanging out - but it was fun. And after swimming running like mad to make it to Miss Hazard's - coming in dripping wet & everything. Don't ever lose my artistic effort - it may be very valuable some day. Oh yes - "This must be Bob!." Put my foot in it again. Good ol' Jeff was sure sweet about it.

Best of luck Sue, in all you do (it's a little hard to write this with Eddie's arm in my face & Phil throwing things at me, but I'm making it) and God bless you -

Class Of '68 Presents "The Night Of January 16th"

On December 1 and 2, the senior class presented the thrilling courtroom drama, "Night of January 16," by Ayn Rand. The play, under the able direction of Mrs. Dottie Crebo and her assistant, Mrs. Pat Taylor, was deemed a huge success.

The plot concerned Karen Andre, the scheming beauty of the financial world, who is on trial for the murder of her boss, Bjorn Faulkner, international business king. District Attorney Flint and Defense Attorney Stevens questioned the following witnesses: Dr. Kirkland, Mrs. John Hutchins, Homer Van Fleet, Elmer Sweeney, Jane Chandler, Magda Svenson, Sigurd Junquist, and Roberta Van Rennselaer. The widow, Nancy Lee Faulkner, and her father, John Graham Whitfield, were Flint's prime witnesses, while Karen Andre and Larry Regan, a gangster, were Stevens' key witnesses to the case.

The jury was selected from members of the audience. The script, having two endings, allowed the jurors to actually retire to a room and vote on the verdict at the end. At all three performances, the decision was of an overwhelming majority: not guilty.

The Night Of January 16th Led To The Questioning Of Many People . . .

Here, Attorney Stevens (Mike Miller) questions Mrs. Hutchins (Jeannie Lapp).

"Mrs. Faulkner, one of us is lying, and we both know which one."

Prosecuting Attorney Flint (Rod Atkinson) listens to Roberta Van Rensselaer (Jeannette Jayne).

Attorney Stevens accuses Mr. Whitfield (Kieth Berger) of bribery as the jury looks on.

Navidad Mexicana was the theme for this year's winter formal held December 16. The student council under the direction of Susan Silva, commissioner of social affairs, planned the evening's festivities. The girls' gym was transformed into the old streets of Mexico, as it was adorned with sombreros, flowers, pinatas, and Mexican palms. Approximately 150 couples enjoyed a Christmas festival in Mexico.

France Is Most Important Factor In French Club

Learning about France and its culture is the most important factor in French Club.

This year's activities included a play, skits, bake sales, a swim party and the annual banquet.

Written by third and fourth year students *Liscz-moi,* the French newspaper, was produced for its third year.

Occasional speakers on France and subjects concerning French, as well as the highly successful winter festival, gave additional insight into this country.

With Carol Hightower as president, under the supervision of Mr. Rayo Budge, adviser, the club was comprised of 45 members and proved that taking French is not only an educational experience but an enjoyable one too.

The time has come when automation is no longer an event of the future. Although it has ended many manual chores, some jobs are untouched by this new trend.

The teaching profession is one of these. A machine cannot possess the ever-changing, ever-needed humanity and leniency or the strictness and rigidity that are necessary from a good teacher.

The Future Teachers Club helps those members understand fully the problems, joys and satisfaction that teachers experience. These programs consisted of speakers from the high school and elementary school levels. Under the guidance of Linda Nunes, president, and Mrs. Gertrude Gundacker, adviser, the 70-member club engaged in many activities which included: tutoring after school for Lemoore elementary students, sponsoring an after-game dance, and earning money for scholarships. For Observation Day, the members observed Lemoore Elementary School teachers.

This busy round of events signifies the true meaning—"Portrait of a New Generation."

The American Field Service Club of Lemoore High School is part of a world-wide organization. Objectives of the club are to aid the foreign students here, to obtain money to send a Lemoore student abroad, and to assist the town chapter in bringing a foreign student to America.

Under the leadership of Valerie Gramps, president, and Ralph Dawdy, adviser, the club proved very active with projects such as the selling of tickets for the television drawing sponsored by the adult chapter and the sponsoring of the Harlem Travelers basketball game.

The AFS Club helps one think of life in foreign countries through lectures and pictures such as those presented by the foreign exchange student and the Americans Abroad student. All activities pointed toward the main goal of peace as demonstrated by the AFS motto: "Walk together, talk together, all ye peoples of the earth, then and only then shall there be peace."

AFS Furthers Understanding Among

Anne Golden, foreign exchange student from Norway

"My first days at Lemoore were days of confusion and bewilderment. My locker seemed to declare war against me, the different rooms played hide-and-seek, the temperature was higher than Norway could ever dream of having, and the voices around all spoke English!

But then there were smiling faces. When I sometimes wondered if I ever was going to get used to Lemoore, a smiling face suddenly appeared and said "Hi Anne" or asked if I needed help. One can't believe how much that helped. The students never got tired of answering my silly questions: 'What is a credit-card? 'What does groovy mean? 'What is the teacher saying?' I don't know how I will ever thank those students enough.

I wish to thank the Gramps family, whom I was so fortunate to stay with. They made this wonderful year a most complete one.

I will remember this year the rest of my life; it was like a dream to me. When I go home it is with bubbling Lemoore spirit, and I will tell everyone all about Lemoore and the mighty Tigers. When I come back to visit I hope to see as many of my Lemoore friends as possible. So, to say it as you do, 'I'll see you!' "

Health Club Continues Interest In Health Careers

Mrs. Geneva Bengston, Adviser

In its second year of existence at Lemoore High School, the Health Club has continued to carry out its purpose of stimulating interest in health careers.

Members clearly displayed their interest in the medical profession when they volunteered to serve as Candy Stripers on Saturdays at the Hanford Community Hospital.

Films and speakers on different health careers, plus the annual field trip, heightened interest in the second wonderful year of the still-new club.

Mr. Gary Sedgwick
Coach

Winning six of their ten league games, Coach Gary Sedgwick's Tigers finished third in East Sequoia League competition. Bill Simas was chosen most valuable player for the second year in a row, while Ron Cansler was elected captain.

With only one senior regularly on the starting line-up, Coach Sedgwick faced the task of building his inexperienced Tigers into a hard-fighting and spirited team. After getting off to a slow start the Tigers came alive later in the season and finished with a 15-9 win-loss record for the entire season. The result was probably the finest varsity basketball team Lemoore has produced in the last three years.

Reedley and Sanger were the only teams to defeat the Tigers in ESL competiton, with both teams finally battling to a season's-end tie with each team finishing with 9-1 records. Reedley beat Sanger in the play-off game and went on to finish second in the Valley.

The young Tiger team gained valuable experience this year, which should be put to good use next year. The LHS cagers should be a definite threat in ESL competition next year.

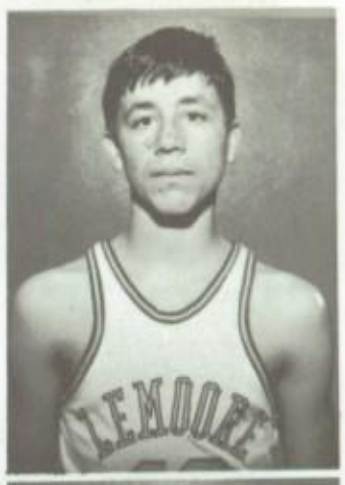
Kittens Finish With A 5-5 Win-Loss Record



The LHS Frosh-Soph basketball squad, coached by J. T. Reasoner, finished in third place in East Sequoia League competition for the second straight season. The kittens finished with an even 5-5 win-loss record.

At the season's close the team elected Gilbert Rico captain and named Bill Darr most valuable player. Freshman Gene Smith was the Kittens' leading rebounder. Vernon Young, Bruce Morgan, and Jim Weed also saw plenty of action this year against stiff competition.

Next year's varsity is expected to gain notable depth from this year's sophomores who are graduating from the Kittens.

Freshmen Master Basic Basketball Techniques

Joey Kosinski, Willie Chester, Mike Ford, Tom Batista, Joey Cotta, and Julius Aquino were the backbone of Coach Jim Hammond's freshman basketball team this season. The freshmen had the task before them of learning the techniques of a basketball team. Coach Hammond strived to instill in them the spirit a team needs.

LHS basketball mentors can now expect better things from these freshmen athletes during their next three years at Lemoore.

Girls' League Has Productive Year

Girls' League, which includes every girl at LHS, again started the year off with a bounce. Heading the club's activities was the annual Big and Little Sister Day held before the opening of school.

Under the direction of President Janice Amaro and Mrs. Billie Blakely, adviser, the activities for this year included a bake sale, a fruit cake sale, the Backward Dance, and the organization of Blossom Day festivities, and the Mother-Daughter Tea.

The club ended its year with the annual initiation ceremony at the close of the school year. New officers were given their oath and responsibilities of their coming year to the service of the organization.

Among the campus improvement projects of the Boys' Fed was the purchase of an outside clock which was mounted on the music building facing the parking lot. The organization continued its beautification project from the last few years and planted shrubs around campus.

For the fifth straight year Boys' Federation sponsored the popular wrestling tournament which, when coupled with the fourth annual volleyball tournament, provided the organization with its main fund raising projects. President Rick Wilson with the guidance of Adviser Ray Thomas led the club, which is comprised of every boy on the LHS campus.

Other officers included, Steve Schlosser, vice-president; Ron Grunow, secretary; Jim Hines, treasurer; and Gary Costa, sergeant-at-arms.

Boys' Fed along with Girls' League sponsored one of the most traditional spring activities, Blossom Day. The club helped plan this annual festivity and chose the sweetheart who was crowned at the assembly program.

Gert Englehardt is giving orders to Nellie Trostle.

The band played the final strain of its opening selection . . . the house lights dimmed . . . the curtain opened . . . and then came forth the first lines of Ambrose Bierce's "An Occurrence at Owl Creek Bridge."

But something was unique and different when LHS's junior class play opened March 15 and 16. For the first time, three one-act plays were presented. Along with Christopher Sergel's dramatization of the Bierce story, there was Kay Hill's 18th century comedy, "Cobbler Stick to Thy Last," and Edward Finnegan's "My Hands Is Full O' Gifts."

"Occurrence" deals with Peyton Farquhar, a southern plantation farmer and his attempt to explode the Owl Creek Bridge, during the Civil War, in order to prevent the Union army from crossing into the South. Captured by the Northerners, he is about to be hanged, but makes a sensational escape.

"Cobbler" was a delightful comedy of life in 1780, Nova Scotia. The play centers around Standfast Billings, the cobbler, whose wife is on her deathbed. Standfast puts an ad in the paper for a new wife, needing someone to take care of his six children during the winter. Complications ensue, however, when the wife does not die.

"Gifts" is a sociological play important to everyone in today's chaotic society. The play deals with Nellie Trostle, an elderly woman and owner of Battle Meadow, a piece of land on the outskirts of a small Maryland town. This particular section of real estate was the scene of a Civil War battle. A housing development is doing its best to persuade the matron to sell it to them, thus making way for "progress." The issue is a big squabble over whether or not it should be made a monument. They threaten and fume. Under the layer of comedy lies satire and truth, and the final curtain brings a satisfactory ending.

Pat Miguel

Jack Holman
Boys' State Representative

Selected to represent LHS at the annual Boys' State convention in Sacramento this year are Pat Miguel and Jack Holman. The alternate is Keith Berger.

Chosen by the faculty and sponsored by the American Legion and Kiwanis, Pat and Jack will join with boys from the entire state to form a mock government and learn, through experience, exactly how a government functions.

The boys were chosen on the basis of scholastic achievement, leadership, and ability to get along with fellow students.

Delegated to last year's convention, the purpose which was and is to educate youth in the duties, rights and responsibilities of American citizenship, were Bill DeRaad and Pat Jourden.

Stanley And Follett To Traffic Conference

Lemoore had two student delegates to the Governor's Traffic Safety Conference in Los Angeles during December. Kathy Stanley and Bill Follett were selected to be among eight delegates chosen from Kings and Tulare Counties to attend the conclave dedicated to reducing automobile fatalities in California.

Over a thousand concerned businessmen, policemen, legislators and judicial officials, as well as 150 carefully screened high school students from throughout California met to discuss the problem of traffic accidents and made suggestions to Governor Ronald Reagan in hopes of reducing highway deaths for the students. The highpoint of the conference was meeting Governor Reagan, following his address to the group.

Participating in a mock state and community government and being with 559 other girls for one week will be the experience of Betty Garcia, 1968 Girl's State Representative. Susan Silva is alternate.

Selected by the faculty as a candidate for the honor, her application was later accepted by the local chapter of the American Legion Auxiliary, Unit 100.

Selection was made on the basis of scholastic ability, leadership potential, courage and honesty, and the ability to get along with others. An interest in government and community activities and a sense of civic respnsibility were other criteria.

Betty will spend one week this summer at the University of California, participating in a program of democracy designed to give her a clearer concept of how her country works. She will be able to bring back and share with the student body the experiences she gained there.

"L" Association Is Reactivated

President Dave Billingsley, under Adviser Scott O'Leary, reactivated the "L" Association during this school year. "L" Association was open to any varsity letterman or any other student who has earned letters in frosh-soph division of any sport.

The lettermen hosted coaches from the local Babe Ruth and Little League teams for an evening of recognition. They also held a training clinic for the members of these teams, as the varsity baseball players helped train the younger boys in developing baseball techniques. There were 30 members registered this year.

Jim Billingsley served as vice-president and Pat Jourden was secretary-treasurer and student council representative.

Golf Team, ESL Favorites

Lemoore High School's varsity golf team began its third season of competition this year, heavy favorites to win the East Sequoia League championship. Coach Jack Palermo's duffers were looking forward to a winning season and their first league crown.

Steve Reh was the early season leader having the low score in several matches. The Aquino brothers, Dexter, George, and Julius, were a triple threat to opposing teams and all were medalists in different matches this season.

Palermo's team exhibited depth this year with a JV squad which next year will hopefully take the place of graduating seniors.

Track, The Highlight Of Spring Sports

Last season the Lemoore High School track teams won Valley Championship in all three classes, a feat which hadn't been accomplished by a single school in the Valley for over thirty years.

One fabulous season can only be topped by another; this was the successful goal of the 1968 track team when, for the third year under the coaching of Robert Fraley, the LHS boy's track team did an outstanding job in all track and field competition at the time the yearbook went to press.

Led by Phil Ennis, Lonnie Harris, Clussie Smith and Larry Young, the team was a constant threat to East Sequoia League members.

Never to be underestimated are this year's B and C teams. Team members are prime choice and show excellent quality in replacing graduating seniors on the varsity team.

Track is now the highlight of spring sports at LHS, thanks to the coaching of Fraley and Wilbur Booth and to the members for their hours in and after school conditioning and practicing to uphold the fine reputation LHS has gained.

Girls' Track Has Another Good Year

One fabulous season can only be topped by another. This was the successful goal of this year's girls' track team.

For the first year in coaching the LHS girls, Mrs. Nancy Trout has done an outstanding job in preparing them for track and field competition.

Starting the year off well by placing in the Selma tournament, the team continued its quest for the East Sequoia League championship.

As expected, Selma and Reedley provided the toughest competition, but the team lived up to Inglis' high expectations of being the finest team in the history of Lemoore High.

LHS Tigers Pose Threat

Winning the consolation trophy at the Coalinga baseball tournament was the early season highlight for the varsity baseball squad. Coach Scott O'Leary's Tigers were expected to be a threat to the East Sequoia League crown this year despite stiff competition from other teams, especially Selma, who has placed first in the league for the past several years.

Led by the hard hitting of Dave Billingsley, Bill DeRaad, and Richard Jones and the pitching of Bill Simas, Rudy Martinez, and Dave Geffkin, the "LHS nine" looked toward a bright 1968 season. The team had trouble early in the year trying to adjust each player into the best possible position after injuries plagued several LHS ball players leaving gaps to be filled by other members of the squad.

Other seniors contributing to the team's success were Ken Nunes, Pat Jourden, Bill DeRaad, and Jim Billingsley.

This year's junior varsity baseball team took on a new role, losing some of its former depth to the frosh-soph squad. Coach J. T. Reasoner's team looked forward to a successful season after getting a good start in ESL competiton.

Reasoner complimented several players for their early season performance. Chris Cooper, Roger Braddon, Frank Souza, Jim Clemmens, and Tim Simas were the hottest hitters, while Curtis King and Rudy Martinez provided dependeable pitching from the mound.

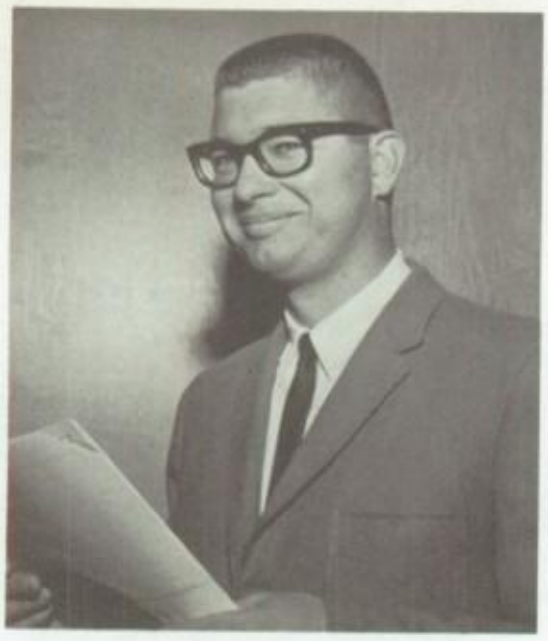
Frosh-Soph Baseball In First Year At Lemoore



Mr. Joel Finley
Coach

A new team and a new coach was the story of this year's freshman-sophomore baseball team. For the first time, the East Sequoia League placed frosh-soph on its list of sanctioned sports. Coach Joel Finley had the task of developing the young players into a functional baseball team.

Tom Billingsley, Frank St. Martin, Mike Hathaway and Mike Maacks were the hitters of the squad, while Richard Cox acted as starting pitcher.

Finley remarked that the team "looked sharp" and could "hold its own" in a tough league. With no early season practice games the frosh-soph squad went into the new league with no game experience.

In his third year as coach of the boy's team, Riley Jones listed Greg Stanton, Scott Stanton, Tim Bernstein, and Joe Fabry as top swimmers. Other outstanding senior swimmers were Jack Garman, Richard Croft, and Bernie Acosta.

The girls' coach, Georgia Huenke, citied Mary Ford and Karen Reasoner as leaders in the diving division. Composing the girls' medley relay team were Doreen Billick, Gerry Mitchell, Lynn Cummings, and Linda Gibson.

At the time the yearbook copy went to press, it appeared that the class B group would be league winners and great contenders for the Divisional.

Managers of the teams were Pat Roe, Stephanie McMullen, and Patty Sanders.

As freshmen, the class of 1971 is one of the largest classes at Lemoore High School with an enrollment of 286. At first most of the traditions were strange to them, but in a short time they became acquainted with the methods and procedures of high school.

At the beginning of the year, 66 per cent of the class turned out at the polls to vote for class officers. Elected were Cindy Baca, president; Joey Bertao, vice-president; Gina Henley, secretary; Joan Oliveira, treasurer; and Sylvia Thornton, student council representative.

They became a functioning unit which planned activities for the class. Under their leadership, the class was progressive and avid in the making of a Homecoming float. Linda Jacobson was freshmen candidate for Homecoming queen. During the annual Christmas food drive and Interclass Basketball tournament the class showed the anxiety of freshmen to adjust to high school life and to make their class successful and enjoyable.

Bob Follett
President

Bob Follett, class president, directed the class of '70 through the year assisted by vice-president, Janey Hoffman; secretary, Peggy Bray; treasurer, Kathy Jennings; and council representative, Valerie Freitas.

The class worked very hard in producing a float for the big Homecoming game. This year's float entitled "Plank the Pirates," received second place honors. Debbie Oliveria was sophomore candidate for Homecoming queen.

Selection of the junior rings was made by a ring committee.

A combination of hard working officers and an energetic class completed a very successful year. The class of '70 eagerly anticipates next year when they will be upperclassmen.

Juniors Take Sweepstakes At Homecoming

Betty Garcia
Student Council Representative

The juniors swept through the first half of the year building class spirit and overflowing with enthusiasm. With the help of the class advisers, Charles Cates and Joe Franco, the Aunt Jemima Pancake Breakfast and after game dances were great successes. The class rings also came in and were proudly worn by the class members.

Paula Irigaray represented the juniors as Homecoming queen candidate, as the class took the most-spirited award and first place in the float contest.

1967 was topped off with a winning effort in the annual Christmas food drive.

Under the leadership of Keith Berger, president; Judy Derryberry, vice-president; Sophia Muniz, secretary; Kathy Stanley, treasurer; and Betty Garcia, student council representative, the class participated in the Interclass Games, produced the junior class play and hosted the Junior-Senior Prom.

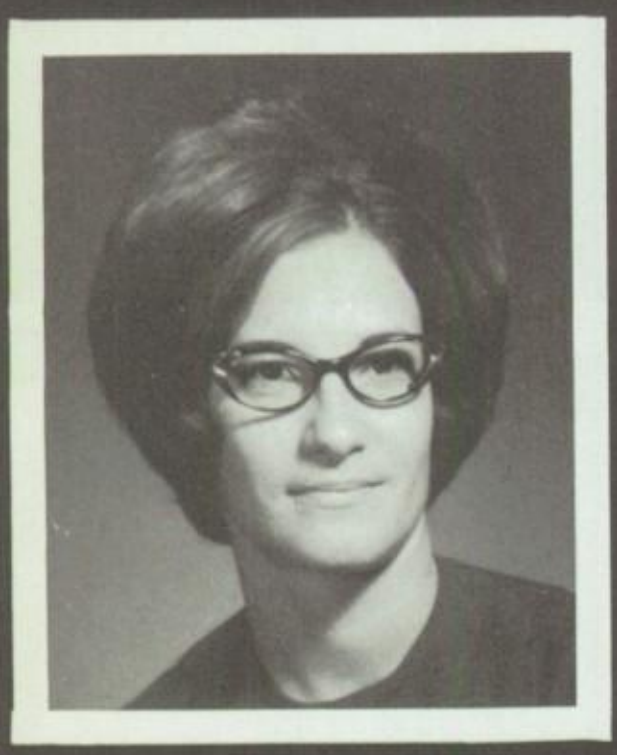
As they are about to graduate in this, the most Wonderful Year of all they have spent at Lemoore High School, the seniors, advised by Mrs. Georgia Huneke and James Inglis, have much to remember from their four years.

As freshmen, the biggest thrill came to them as their float took second place in the Homecoming parade. They were also distinguished at the Interclass Games when they were awarded the air horn.



Patsy Evangelo
Secretary

Phil Ennis
Treasurer

Linda Gibson
Student Council Representative

As juniors, their Homecoming queen candidate was crowned, they were named the most spirited class, and they took second in the Interclass Games. Many new things were tried that year, all of them great successes. The junior class play, "Teahouse of the August Moon," and the "Manchurian Moonlight" prom were two of these.

In the last year at LHS, the senior class has shown originality, perseverance and unquenchable cheer never before displayed by any class. When their float burned in the Homecoming parade just blocks away from the school, they were disappointed, but not defeated. Members of the class marched in the parade in spite of their loss, and later made up for the minor catastrophe by winning $25 in the Christmas parade. Even more spirit was shown in the Interclass Food Drive, as the seniors rallied for battle with the motto, "Cans Don't Burn!" The highly successful and pleasingly different play, "Night of January 16th," further displayed their originality and spirit.

This last Wonderful Year was topped off with the constant flurry of orders for pictures, keys, announcements, awards, special activities, applications to colleges, and preparation for graduation, that final step to self-support or preparation for further education in today's society.

Senior Superlatives That

What are these *MOST SPIRITED* seniors, Janice Amaro and Al Luis, yelling? "We've got spirit!"

Hey! Is that Rudolph Valentino or Ken Nunes sweeping Kim Ignaszewski off her feet as the *BIGGEST FLIRTS*?

Kellee Becker and Larry Luiz look toward the future as the *BEST ALL AROUND*.

Brenda Carreiro and Tim Bernstein wave to the passing year as the *FRIENDLIEST* seniors.

Spice
Wonderful Year

Rosemarie Bezerra and Bill Follett carry away the world as the *MOST LIKELY TO SUCCEED.*

Studying hard to remain the *MOST SCHOLARLY* are Jim Hines and Becky Gray.

That wonderful year is gone. But our memories of it shall linger on.

Rick Wilson and Natalie Nunes try out their charm as the *BEST PERSONALITIES.*

Wouldn't you know it! Donna Johns and Charlie Irons are "goofing" off again as the *BIGGEST CHARACTERS.*

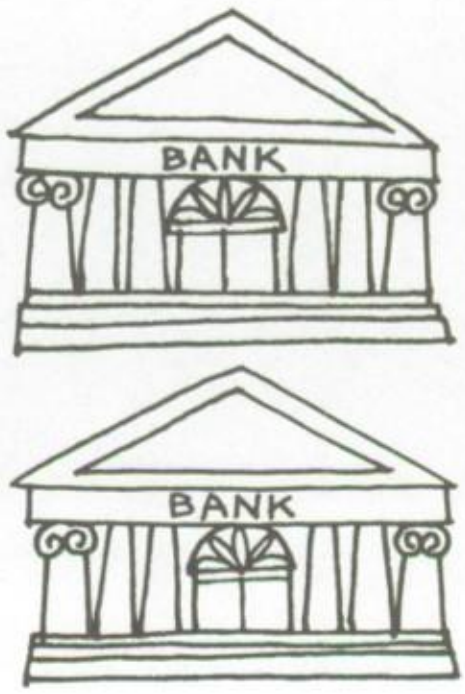
Many banks look similar outside.



The difference begins when you step inside.

When you step into the Crocker-Citizens office nearest you, you'll meet people dedicated to helping you . . . to sitting down with you and tailor-making the kind of banking service that's best for you. For a demonstration of this kind of courteous, personal attention, step into Crocker-Citizens. We're always glad to help you.

OUR THANKS

The firms and persons whose names appear in the advertising section of this yearbook have generously given their support toward the publication of this year's NUNTIUS. We, the NUNTIUS staff, extend our thanks to these advertisers for the good will shown us. It is our hope that they will feel repaid by the patronage of those whose yearbook they made possible.

Autographs

Susan,
Hope you will always have the best things in life. I hope that we will always be the greatest of friends always.
Love you,
Jerry Lewis

Susan,
Good luck in the future. Hope you are always happy and get what you want.
Dennis Miller

Susan,
So a sweet kid you are, even though you don't get quite a few messages upon dos.
Always,
Susan M.

Autographs

Susan,
We sure have had a great time together this year; especially with marty and Jerry. I never will forget that one weekend together and I guess now you know the real me! I'm going to be sorry to see you go this summer, but maybe we will meet again.

Love ya,
Beth

Susan,
I'm sure glad to know you. Hope you had a good year. Take care of yourself this summer and maybe I'll see you around! Good-luck

B.D.

Susan,

I know you have enjoyed my company as much as I have enjoyed yours. Have fun on your trip back home and please take care of yourself. — I know you will meet so many people (boys) that you won't have time to write me, but anyhow I'll give you my address

21350 Fargo Ave.
Lemoore, Calif. 93245

If you find some interesting you don't want Sin always Available.

When you come into your inheritance give me a ring or come from far a give me a visit. I don't want all that money to go to pods. I could help you spend it. A friend Always Love Ya

Gloria

To a real nice girl, take it easy & luck,

Mike

Susan

It's been swell knowing you and having you in my classes. Hope I see ya' this summer. Lots of luck and success in the future

Always,
Linda Silva

Susan,

It's been fun having you in several of my classes. Be good & take care. Best of luck with all those boyfriends of yours - there sure are an awful lot of them. Hope to see you around

Love ya,
